|----------------------------------------------------------------------------------------------|------|
| Acknowledgments.....                                                                         | VII  |
| Table of Contents .....                                                                      | IX   |
| List of Figures .....                                                                        | XV   |
| List of Abbreviations.....                                                                   | XVII |
| 1. Introduction .....                                                                        | 1    |
| 1.1. Educational Outcomes of Immigrants .....                                                | 3    |
| 1.2. Structure of the Book .....                                                             | 11   |
| 2. Explaining Differentials in Educational Outcomes – Theoretical Review ...                 | 13   |
| 2.1. Micro-Level Theories.....                                                               | 13   |
| 2.1.1. Social Reproduction .....                                                             | 13   |
| 2.1.2. Cultural Reproduction.....                                                            | 18   |
| 2.2. Macro-Level Theory.....                                                                 | 22   |
| 2.2.1. Institutional Approach.....                                                           | 22   |
| 2.2.2. Institutionalisation of the Life Course and the Role of Education.....                | 28   |
| 2.3. Micro-Macro link .....                                                                  | 31   |
| 2.4. Hypotheses .....                                                                        | 35   |
| 2.4.1. Individual-Level Hypotheses .....                                                     | 35   |
| 2.4.2. School-Level Hypotheses.....                                                          | 35   |
| 2.4.3. Interaction Hypotheses (Micro and Macro Level) .....                                  | 37   |
| 2.5. Conclusion.....                                                                         | 38   |
| 3. Research Design, Data, and Cases .....                                                    | 39   |
| 3.1. Design and Data .....                                                                   | 39   |
| 3.2. Two cases – Luxembourg and Switzerland.....                                             | 45   |
| 3.2.1. Immigration History .....                                                             | 45   |
| 3.2.2. Educational Attainment of Immigrants .....                                            | 52   |
| 3.3. Are Education Policies of Small Nations Different From Policies<br>of Big Nations?..... | 58   |
| 3.4. Conclusion.....                                                                         | 60   |
| 4. The Role of a Family - Individual-Level Explanation .....                                 | 61   |
| 4.1. The Role of Socio-Economic Status and Educational Level of<br>Parents .....             | 61   |
| 4.2. Cultural Capital .....                                                                  | 71   |
| 4.3. Migratory Background and Language Skills.....                                           | 73   |
| 4.4. Descriptive Analysis.....                                                               | 84   |

|                                                                          |     |
|--------------------------------------------------------------------------|-----|
| 4.5. Hypotheses .....                                                    | 87  |
| 4.6. Structural Equation Modelling .....                                 | 88  |
| 4.6.1. Results: Comparison between Countries .....                       | 91  |
| 4.6.2. Country Results – Luxembourg .....                                | 101 |
| 4.6.3. Country Results – Switzerland .....                               | 105 |
| 4.7. Conclusion .....                                                    | 109 |
| 5. Inequalities between Schools - Institutional-Level Explanation .....  | 113 |
| 5.1. Theoretical and Empirical Review .....                              | 113 |
| 5.2. Hypotheses .....                                                    | 122 |
| 5.3. Multilevel Analysis of Cross-Country Institutional Effects .....    | 123 |
| 5.3.1. Descriptive Analysis .....                                        | 123 |
| 5.3.2. Multilevel Analysis .....                                         | 125 |
| 5.4. Country Specific Results .....                                      | 128 |
| 5.4.1. Country Results - Luxembourg .....                                | 128 |
| 5.4.2. Country Results - Switzerland .....                               | 131 |
| 5.5. Conclusion .....                                                    | 134 |
| 6. National Educational Policies and Immigrant Integration .....         | 135 |
| 6.1. Theoretical and Empirical Review .....                              | 135 |
| 6.2. Hypotheses .....                                                    | 141 |
| 6.3. Empirical Analysis .....                                            | 142 |
| 6.3.1. Descriptive Analysis .....                                        | 142 |
| 6.3.2. Decomposition Analysis .....                                      | 151 |
| 6.3.3. Results and Summary .....                                         | 161 |
| 6.4. Conclusion .....                                                    | 163 |
| 7. Conclusions .....                                                     | 165 |
| 7.1. Empirical findings .....                                            | 165 |
| 7.2. <i>Are Small Countries Really Different?</i> .....                  | 169 |
| 7.3. Research limitations and recommendations for further research ..... | 170 |
| 7.4. Potential Policy Implications .....                                 | 171 |
| 8. Bibliography .....                                                    | 173 |
| 9. Appendices .....                                                      | 201 |
