Introduction .....	5
<b>Chapter I — Data collection and estimation procedures</b>	
1. Description of data collection .....	6
2. Estimation procedures .....	8
<b>Chapter II — The main results of the comparison</b>	
1. Contents .....	10
2. Gross domestic product .....	10
3. GDP and its uses .....	11
4. Private consumption .....	11
5. Collective consumption .....	11
6. Gross fixed capital formation .....	12

## LIST OF TABLES

Table 1 — Gross domestic product — main results, 1980 .....	14
Table 2 — Per capita gross domestic product and its uses, 1980 .....	14
— Value in national currency (nc)	
— Volume in PPS	
Table 3 — Gross domestic product and its uses, 1980 .....	16
(a) Parities	
(b) Price level indices (EUR 10 = 100)	
(c) Relative price level indices (GDP = 100)	
Table 4 — Final domestic uses, 1980 .....	16
(a) Per capita volume index (EUR 10 = 100)	
(b) Per capita relative volume index (GDP = 100)	
Table 5 — Per capita private consumption (including health) by group of functions, 1980 .....	16
— Value in national currency (nc)	
— Volume in PPS	
Table 6 — Private consumption (including health) by group of functions, 1980 .....	18
(a) Parities	
(b) Price level indices (EUR 10 = 100)	
(c) Relative price level indices (private consumption = 100)	
Table 7 — Per capita private consumption (including health) by group of functions, 1980 .....	18
(a) Volume index (EUR 10 = 100)	
(b) Relative volume index (private consumption = 100)	
Table 8 — Per capita collective consumption of general government (excluding health) by group of functions, 1980 .....	20
— Value in national currency (nc)	
— Volume in PPS	
Table 9 — Collective consumption of general government (excluding health) by group of functions, 1980 .....	20
(a) Parities	
(b) Price level indices (EUR 10 = 100)	
(c) Relative price level indices (collective consumption of general government = 100)	
Table 10 — Per capita collective consumption of general government (excluding health) by group of functions, 1980 .....	20
(a) Volume index (EUR 10 = 100)	
(b) Relative volume index (collective consumption of general government = 100)	
Table 11 — Per capita gross fixed capital formation by product group, 1980 .....	22
— Value in national currency (nc)	
— Volume in PPS	

Table 12 — Gross fixed capital formation by product group, 1980.....	22
(a) Parities	
(b) Price level indices (EUR 10 = 100)	
(c) Relative price level indices (gross fixed capital formation = 100)	
Table 13 — Per capita gross fixed capital formation by product group, 1980.....	24
(a) Volume index (EUR 10 = 100) in PPS	
(b) Relative volume index (gross fixed capital formation = 100)	

**LIST OF ANNEXES**

Annex I — Detailed results of the comparison.....	29
Annex II — Classification used for the comparison.....	33
