PREFACE 11

VORWORT 12

VOORWOORD 12

CHAPTER 1: INTRODUCTION 13

1.1 COMMUNICATION & VOCAL LEARNING 15

1.1.1 Communication 15

1.1.2 Social Aspects of Vocal Communication 15

1.1.3 Vocal Learning 16

1.1.4 Vocal Learning in Birds 16

1.1.5 The Zebra Finch as Model Species 16

1.2 ZEBRA FINCHES 17

1.2.1 General Description 17

1.2.2 The Origin of the Zebra Finch 17

1.2.3 Zebra Finches in Captivity 18

1.2.4 Housing Conditions 18

1.3 SOCIAL BEHAVIOUR 19

1.3.1 Living in Groups 19

1.3.2 Agonistic Behaviour 19

1.3.3 Social Dominance 19

1.4 REPRODUCTION 20

1.4.1 Pair Bonding 20

1.4.2 Breeding Cycle 21

1.4.3 Monogamy & Extra Pair Copulation 21

1.5 STRESS 22

1.5.1 Stress and Hormones 22

1.5.2 Corticosterone in Zebra Finches 23

1.6 VOCALISATIONS 23

1.6.1 Vocal Behaviour 23

1.6.2 Song Learning 25

1.6.3 What Happens in the Brain? 26

1.6.4 The Song Template: What Is It and Where Is It Stored? 26

1.7 SOCIAL ASPECTS OF SONG LEARNING 27

1.7.1 The Importance of Adult Tutors 27

1.7.2 Tutor Preferences 28

1.7.3 Methodological Challenges 28

1.8 GENERAL AIMS AND EXPECTATIONS 29

1.8.1 Outline 29

1.8.2 Population Density (experiment 1A) 29

1.8.3 Social Dominance (experiment 1B) 29

1.8.4 Behavioural and Reproductive Patterns (experiment 1C) 30

1.8.5 Song Learning and Tutor Choice (experiment 1D) 30

1.8.6 Vocal Interactions and Song Development in a Group (experiment 2) 30

CHAPTER 2: MATERIAL & METHODS 31

2.1 AVIARY SETUP 33

2.1.1 EXPERIMENT 1 33

2.1.2 EXPERIMENT 2 33

2.2 BIRDS 34

2.2.1 Experiment 1 34

2.2.2 Experiment 2 34

2.3 BREEDING.....34

2.3.1 Experiment 134

2.3.2 Experiment 235

2.4 BLOOD SAMPLING35

2.4.1 Collecting Samples35

2.4.2 Corticosterone Analysis (experiment 1).....35

2.4.3 DNA Analysis36

2.5 BEHAVIOUR (EXPERIMENT 1).....36

2.6 SOUND RECORDINGS37

2.6.1 Song Recordings in Soundboxes (experiment 1).....37

2.6.2 Continuous Recordings (experiment 2).....37

2.7 SONG ANALYSIS38

2.7.1 Sonograms.....38

2.7.2 Syllable Clustering38

2.7.3 Cluster Classification39

2.7.4 Tutor Identification42

2.8 ANALYSIS OF VOCAL INTERACTIONS (EXPERIMENT 2).....42

2.9 STATISTICS43

CHAPTER 3: RESULTS45

3.1 EXPERIMENT 1A: POPULATION DENSITY47

3.1.1 Breeding Success.....47

3.1.2 Social Behaviour47

3.1.3 Body Mass Adults.....47

3.1.4 Body Sizes Offspring.....48

3.1.5 Song Complexity: Number of Syllables per Motif & Motif Duration.....48

3.1.6 Corticosterone Levels Adults.....49

3.1.7 Corticosterone Levels Offspring.....50

3.1.8 Effects of Brood Size.....50

3.2 EXPERIMENT 1B: SOCIAL DOMINANCE51

3.2.1 Dominance Patterns.....51

3.2.2 Correlations between Dominance and Physiological & Behavioural Traits51

3.3 EXPERIMENT 1C: BEHAVIOURAL AND REPRODUCTIVE PATTERNS54

3.3.1 Pair Dynamics.....54

3.3.2 Reproduction & Behaviour.....55

3.3.3 Reproductive Success.....55

3.4 EXPERIMENT 1D: SONG LEARNING AND TUTOR CHOICE56

3.4.1 Clustering56

3.4.2 Tutor Preferences.....58

3.4.3 Temporal Structure: Template Learning?61

3.5 EXPERIMENT 2: VOCAL INTERACTIONS AND SONG DEVELOPMENT IN A GROUP64

3.5.1 Reproduction.....64

3.5.2 Song Learning.....65

3.5.3 Social Interactions66

CHAPTER 4: DISCUSSION69

4.1 GENERAL CONSIDERATIONS.....71

4.2 POPULATION DENSITY (EXPERIMENT 1A).....72

4.2.1 Social Behaviour72

4.2.2 Song Complexity.....72

4.2.3 Corticosterone73

4.2.4 Brood Size Effects.....73

4.2.5 Fitness Effects?.....73

4.2.6 Conclusions from Experiment 1 A74

4.3 SOCIAL STRUCTURES AND DOMINANCE HIERARCHIES (EXPERIMENT 1B)	74
4.3.1 Correlations between Dominance and Physiological & Behavioural Traits	74
4.3.2 Importance of Dominance	75
4.3.3 Conclusions from Experiment 1B	76
4.4 BEHAVIOURAL AND REPRODUCTIVE PATTERNS (EXPERIMENT 1C)	76
4.4.1 Pair Bonding	76
4.4.2 Extra-Pair Offspring	77
4.4.3 Adaptive Strategies?	78
4.4.4 Conclusions from Experiment 1C	78
4.5 SONG LEARNING AND TUTOR CHOICE (EXPERIMENT 1D)	79
4.5.1 Song Learning: What and How?	79
4.5.2 Does the Number of Potential Tutors Affect Song Learning?	79
4.5.3 Tutor Choice: A Behavioural Ecologist's Point of View	79
4.5.4 Tutor Choice: A Neurobiologist's Point of View	81
4.5.5 Song Learning: Why?	82
4.6 VOCAL INTERACTIONS AND SONG LEARNING (EXPERIMENT 2)	83
4.6.1 Communication	83
4.6.2 The Importance of Calls	83
4.6.3 Vocal Interactions and Social Behaviour	84
4.6.4 Vocal Interactions and Tutor Choice	84
4.6.5 Methodological Considerations	85
4.7 OVERVIEW AND FINAL REMARKS	85
4.7.1 Alternative Hypotheses to Explain Tutor Choice	85
4.7.2 Conclusion	86
