Deutschsprachige Einleitung und Zusammenfassung X

1. Media Slant against Foreign Owners: Downsizing 1

 1.1 Introduction 3

 1.2 Case studies on media slant and FDI 6

 1.3 Data 8

 1.3.1 Identifying articles about downsizing 8

 1.3.2 Descriptive statistics 9

 1.3.2.1 Firms, and downsizing events 9

 1.3.2.2 Media slant: dependent variables 12

 1.4 Empirical specification and basic results 14

 1.4.1 Quantitative media slant against foreign firms 14

 1.4.2 Qualitative media slant against foreign firms 18

 1.5 Robustness checks 20

 1.6 Channels of the slant 21

 1.6.1 News process, perception 21

 1.6.2 Advertiser influence 22

 1.6.3 Differentiation: Evidence from six other newspapers 22

 1.6.4 Owner influence 24

 1.7 Concluding remarks 25

 Appendix 1.A 26

 Appendix 1.B 36

2. Are Media a Watchdog against Wasteful Public Spending? Evidence from Germany 55

 2.1 Introduction 57

 2.2 Institutional background and data 60

2.2.1 German politics	60
2.2.2 Popularity of the parties	62
2.2.3 The <i>BRH</i> and its' annual report	62
2.2.4 Media coverage of the annual report	66
2.2.5 Independence of the annual report	69
2.3 Empirical challenges, baseline regression models and main results	72
2.3.1 Empirical challenges	72
2.3.2 Baseline regression models	74
2.3.3 Main results	75
2.4 Robustness checks and further results	79
2.5 Conclusion	81
Appendix 2.A	82
 3. In Good Times and Bad - Reciprocal Behavior at the Workplace in Times of Economic Crises	87
3.1 Introduction	89
3.2 Experimental design	91
3.3 Potential effects of the exogenous shock	93
3.4 Results	95
3.4.1 Gift-exchange in the second period if the shock occurs	95
3.4.2 Gift-exchange in the second period if the shock does not occur	98
3.4.3 Gift-exchange in the first period	99
3.5 Intertemporal link between first and second period behavior	101
3.6 Efficiency	102
3.7 Conclusion	105
 4. Downsizing and Firm Performance – Evidence from German Data	107
4.1 Introduction	109
4.2 Literature overview	110
4.3 Data	112
4.3.1 Identifying downsizing firms	112
4.3.2 Identifying downsizing reasons	113
4.3.3 Analyzing firm performance	115
4.3.4 Descriptive statistics	116
4.4 Empirical strategy and results	117

4.5 Robustness checks	123
4.6 Conclusion	130
Appendix 4.A	132
5. The Hidden Costs of Downsizing	136
5.1 Introduction	138
5.2 Experimental design	140
5.2.1 First period	140
5.2.2 Second period	141
5.2.3 Procedural details	144
5.3 Behavioral predictions	144
5.4 Results	145
5.4.1 Agents' behavior	146
5.4.2 Principals' behavior	150
5.5 Discussion and conclusion	151
References	154
Curriculum Vitae	166
