

Henri M. Duvernoy

Human Brainstem Vessels

Foreword by Roger Warwick

Illustrations by J. L. Vannson

With 108 Figures and
2 Folding Plates

Springer-Verlag

Berlin Heidelberg New York 1978

Contents

<i>Introduction</i>	1
<i>Material and Methods</i>	3
<i>Part I Arteries and Veins of the Brainstem</i>	
Medulla Oblongata	
A. Superficial Arteries and Veins of the Medulla	6
I. Anterior (Ventral) Groups of Superficial Arteries and Veins	6
II. Lateral Groups of Superficial Arteries and Veins	6
III. Posterior Groups of Superficial Arteries and Veins	7
B. Territories of the Arteries and Veins of the Medulla	8
I. Territories of the Anterior Groups	8
II. Territories of the Lateral Groups	8
III. Territories of the Posterior Groups	9
IV. Subependymal Medullary Veins of the Floor of the Fourth Ventricle	10
V. General Survey of the Vascular Territories of the Medulla	10
VI. Vascularization of Tracts and Nuclei	10
Pons	
A. Superficial Arteries and Veins of the Pons	11
I. Anterior Groups of Superficial Arteries and Veins	11
II. Lateral Groups of Superficial Arteries and Veins	11
III. Posterior Groups of Superficial Arteries and Veins	13
B. Territories of the Arteries and Veins of the Pons	13
I. Territories of the Anterior Groups	13
II. Territories of the Lateral Groups	14
III. Territories of the Posterior Groups	14
IV. Subependymal Pontine Veins of the Floor of the Fourth Ventricle	15
V. General Survey of the Vascular Territories of the Pons	15
VI. Vascularization of Tracts and Nuclei	15
Mesencephalon	
A. Superficial Arteries and Veins of the Mesencephalon	16
I. Arteries of the Mesencephalon	16
II. Veins of the Mesencephalon	20
III. Recapitulation and Survey of the Superficial Arteries and Veins of the Mesencephalon	20
B. Territories of the Arteries and Veins of the Mesencephalon	22
I. Territories of the Anterior Groups	22
II. Territories of the Lateral Groups	22

III. Territories of the Posterior Groups	23
IV. General Survey of the Vascular Territories of the Mesencephalon	23
V. Vascularization of Tracts and Nuclei	24
Conclusions.	25

Part II The Vascular Architecture of the Brainstem

A. Introduction	28
B. Angio-architecture of the Medulla	28
I. White Matter	28
II. Grey Matter	29
C. Angio-architecture of the Pons	29
D. Angio-architecture of the Mesencephalon	30
I. Angio-architecture of the Tectum of the Mesencephalon	30
II. Angio-architecture of the Tegmentum of the Mesencephalon	30
III. Angio-architecture of the Crus Cerebri	31
E. Conclusions	31
