

INTRODUCTION	1
CHAPTER 1 THE EU'S POLICY TOWARDS CHINA AND CHINA'S POLICY TOWARDS THE EU	5
1.1 Evolution of the Sino-EU relation	5
1.2 The EU's current policy towards China	9
1.2.1 Background of the EU's policy towards China	9
1.2.2 "A Long Term Policy for China-Europe Relations"	10
1.2.3 Building a Comprehensive Partnership with China	11
1.2.4 EU Strategy towards China: Implementation of the 1998 Communication and Future Steps for a More Effective EU Policy	12
1.2.5 Main points of the EU's policy towards China	12
1.3 Policy of major member states towards China	14
1.3.1 The UK' policy towards China	14
1.3.2 French policy towards China	15
1.3.3 German policy towards China	17
1.4 China's policy towards the EU	20
1.5 Conclusion	21
CHAPTER 2 ECONOMIC RELATIONS BETWEEN CHINA AND THE EU	23
2.1 Bilateral trade of Sino-EU	24
2.1.1 Growth of the bilateral trade	24
2.1.2 Trade balance	26
2.1.3 Commodity share of the bilateral trade	27
2.1.4 Country share of the bilateral trade	29
2.2 The EU's FDI in China	32
2.2.1 Evolution of the EU's FDI in China	32

2.2.2	The EU's FDI shares in China	34
2.2.3	Country shares of EU's FDI in China	37
2.2.4	Industrial shares of the EU's FDI in China	39
2.2.5	Distribution of the EU's FDI in China	40
2.2.6	Performance of EU enterprises in China	41
2.3	Technological transfer and aid from the EU to China	43
2.3.1	Technological transfer from the EU to China	43
2.3.2	Aid from the EU to China	44
2.3.3	Reason of technological transfer and aid from the EU to China	46
2.4	Bilateral trade intensity and the complementarity index of Sino-EU trade	47
2.4.1	Bilateral trade intensity	47
2.4.2	Complementarity index of Sino-EU trade	51
2.5	Conclusion	54
CHAPTER 3 EU TRADE PROTECTION IN BILATERAL TRADE		56
3.1	EU tariff rates	57
3.2	EU non-tariff barriers	60
3.2.1	Anti-dumping	63
3.2.2	Quota regulations	68
3.2.3	EU technical barriers	70
3.3	EU rate of protection used in the S-EU CGE model	75
3.3.1	Methodology in calculating the rate of protection	75
3.3.2	EU protection rates used in the S-EU CGE model	76
3.4	Conclusion	78
CHAPTER 4 CHINA'S TRADE PROTECTION IN BILATERAL TRADE		80
4.1	China's tariff rates: level and structure	82

4.1.1	Level of China's nominal tariff rate	82
4.1.2	Structure of China's tariff rates in 2002	84
4.1.3	China's actual duty collection rate	86
4.2	China's NTBs: from 1992 to 2002	89
4.2.1	China's quotas and licenses	89
4.2.2	China's state trading and designated trading agent system	92
4.2.3	China's anti-dumping	95
4.2.4	China's value-added tax policy and technical inspections	97
4.3	The level of China's overall protection	98
4.3.1	Frequency of tariffs and NTBs and their import coverage rates	99
4.3.2	Measuring the rate of China's overall protection	103
4.3.3	Protection rate of China to the EU used in the S-EU CGE model	105
4.4	Conclusion	106

CHAPTER 5 INFLUENCE OF NON-ECONOMIC ELEMENTS IN BILATERAL TRADE 108

5.1	EU trade preferences	108
5.2	Human rights	112
5.2.1	The role of human rights in EU foreign policy	112
5.2.2	Influence of human rights on Sino-EU bilateral trade	113
5.3	Taiwan issues	116
5.4	Conclusion	117

CHAPTER 6 APPROACHES TO MODELING THE IMPACT OF TRADE BARRIER CHANGES 118

6.1	Analytical framework on the effect of tariff reductions with a partial equilibrium approach	119
6.1.1	Effect of the reduction of tariffs on the domestic market: a small	

country case	119
6.1.2 Effect of reduction tariffs on the domestic market: a big country case	121
6.1.3 Effects of reduction tariffs on exporters: a big country case	122
6.2 Analytical framework on the effect of tariff reduction with a general equilibrium approach	124
6.3 Modeling the effect of the tariff	125
6.3.1 Partial equilibrium models	125
6.3.2 General equilibrium models	126
6.4 Conclusion	130
CHAPTER 7 A CGE STATIC MODEL OF THE EU AND CHINA	131
7.1 The reason for using the CGE model	131
7.1.1 The CGE model has stronger theoretical background than the econometric model.	132
7.1.2 China's economic system and incentive mechanisms that have greatly changed	133
7.2 Industrial classification of the Sino-EU CGE model	134
7.3 Structure of the Sino-EU CGE model	136
7.3.1 Firm behavior equations	137
7.3.2 Household behavior block	141
7.3.3 Government behavior block	144
7.3.4 Other demand functions	148
7.3.5 General equilibrium and definitions	150
7.4 Database, Parameters Calibration and Sensitivity Test of the Model	152
7.4.1 Source of the SAM	152
7.4.2 Source of the elasticity of the substitution	152
7.4.3 Source of other Parameters	153
7.4.4 Calibration share and efficiency parameter in the CES function	

	in the S-EU model	154
7.4.5	Calibration share and efficiency parameter in the CET function in the S-EU model	155
7.4.6	Calibration share and efficiency parameter in the ELES function in the S-EU model	156
7.5	Conclusion	157
CHAPTER 8 IMPACT OF CHINA'S TARIFF CHANGE ON CHINA AND THE EU IN 2002		159
8.1	Setting model closure	161
8.2	Impact on China's economy	162
8.2.1	Impact on China's macro-economy	162
8.2.2	Impact on China's sectoral output.	163
8.2.3	Impact on China's sectoral import and export.	165
8.3	Impact on the EU economy	168
8.3.1	Impact on the EU macro-economy	168
8.3.2	Impact on EU's sectoral economic indicators	168
8.4	Impact on the rest of the world	171
8.4.1	Impact on the macro-economy of the rest of the world	171
8.4.2	Impact on sectoral economic indicators of the rest of the world	172
8.5	Sensitivity test	176
8.6	Conclusion	179
APPENDIX		181
Appendix 1	Proportion and number of goods sold at state set and market prices, 1978-96	181
Appendix 2	SAM structure in the S-EU CGE model	182
Appendix 3	GTAP industry classification	184

Appendix 4	Derivation of the unit factor requirement function	186
Appendix 5	Derivation of price of the output function	188
Appendix 6	Derivation of export and the domestic supply function	190
Appendix 7	Derivation of the consumption function	192
Appendix 8	Set definition	194
Appendix 9	Model file	196
Appendix 10	Substitutes used in the S-EU CGE model	202
