# Table of contents

Corpus-driven Cognitive Semantics.
Introduction to the field ............................................ 1  
*Dylan Glynn*

Quantitative methods in Cognitive Semantics.
Introduction to the volume ........................................... 43  
*Kerstin Fischer*

## Section I  Corpus methods in Cognitive Semantics

The doctor and the semantician ........................................ 63  
*Dirk Geeraerts*

*John Newman*

Does frequency in text instantiate entrenchment in the cognitive system? ........................................ 101  
*Hans-Jörg Schmid*

## Section II  Advancing the science: Theoretical questions

The aspectual coercion of the English Durative Adverbial .......... 137  
*Stefan Fuhs*

The force dynamics of English complement clauses:  
A Collostructional Analysis ............................................. 155  
*Martin Hilpert*

Accounting for the role of situation in language use in a Cognitive Semantic representation of sentence mood .......... 179  
*Kerstin Fischer*

Exemplars and analogy:  
Semantic extension in constructional networks ........................ 201  
*Arne Zeschel*

## Section III  Advancing the science: Methodological questions

- Marrying cognitive-linguistic theory and corpus-based methods:  
  On the compositionality of English V NP-idioms .......................... 223  
  *Stefanie Wulff*

- Testing the hypothesis.  
  Objectivity and verification in usage-based Cognitive Semantics ..... 239  
  *Dylan Glynn*

- Beyond the dative alternation:  
  The semantics of the Dutch *aan*-Dative ................................. 271  
  *Timothy Colleman*

- Corpus-based evidence for an idiosyncratic aspect-modality relation in Russian ........................................... 305  
  *Dagmar Divjak*

## Section IV  Towards an empirical Cognitive Semantics

- Quantitative approaches in usage-based Cognitive Semantics:  
  Myths, erroneous assumptions, and a proposal .......................... 333  
  *Stefan Th. Gries and Dagmar Divjak*

- Empirical Cognitive Semantics: Some thoughts .......................... 355  
  *Anatol Stefanowitsch*

- Author index ........................................................................... 381

- Subject index ........................................................................... 389
