Part 9 Insurance .....	1093
Part 10 Competition law .....	1117
Index .....	1353

# Table of contents

Author Index .....	V
Abbreviations .....	XIX
Foreword .....	XXXIII
<b>Introduction</b> .....	1
I. Air Law Concepts and Classifications .....	1
II. Two Hundred Years of Air Law .....	4
III. Development of Modern Air Law .....	11
<b>Part 1 Institutional structure of civil aviation</b> .....	25
A. International Organisations .....	25
I. Governmental international organisations .....	28
II. Non-governmental international Organisations .....	81
III. Airline Cooperation and Alliances .....	120
B. European Union .....	162
I. European Communities/European Union: I. National Courts .....	162
II. The European Aviation Safety Agency (EASA) .....	166
C. Administration of Air Transport in Germany .....	190
I. Introduction .....	190
II. Competencies .....	191
III. Exercise of Functions .....	194
<b>Part 2 Airspace</b> .....	203
A. Airspace and Sovereignty over Airspace .....	203
I. Introduction .....	204
II. Notions of Airspace and Sovereignty over Airspace .....	204
III. The Airspace .....	205
IV. Aerial Sovereignty .....	211
V. Violation of Aerial Sovereignty and its Consequences .....	213
VI. Bilateral Aviation Relations .....	214
VII. Aviation Relations Under EU Law .....	222
B. Classification of airspace .....	230
I. Overview .....	230
II. Upper and lower airspace .....	231
III. Classification of airspace .....	232
IV. Controlled and uncontrolled airspace .....	233
V. Flight information regions (FIR, UIR, EUIR) .....	233
VI. Prohibited areas .....	234
VII. Restricted-areas .....	235
VIII. Military exercise and training areas .....	236
IX. Danger areas .....	237
X. Aerodrome traffic zones .....	238
<b>Part 3 Aircraft</b> .....	239
A. Aircraft .....	239
I. Introduction .....	239
II. Definition of “aviation equipment” .....	240
III. Definition of “aircraft” .....	241
B. Aircraft Certification .....	247
I. Product Type Certification – EASA .....	247
II. Aircraft certification – German authorities .....	269

C. Entry in the Aircraft Register .....	277
I. Legal Foundation and Definitions .....	278
II. Competence of Aircraft Register Maintenance .....	283
III. Prerequisites for Entry in the Aircraft Register .....	284
IV. Exceptions .....	288
V. Content of Entry .....	289
VI. Legal Consequences of Entry in the Register .....	290
VII. Regulations on Data Use and Distribution .....	293
VIII. Blocking and Deletion of the Entry .....	294
D. Operators .....	295
I. Different meaning of “operator” and “operation” .....	295
II. Operation of Aircraft .....	297
E. State Aircraft .....	302
I. Introduction .....	302
II. Definition and Differentiation .....	304
III. Legal Consequences .....	309
IV. State Aircraft in Austria and Switzerland .....	314
F. The Legal Status of Aircraft .....	316
I. Ownership and Other Property Rights .....	316
II. Cape Town Convention: essential provisions and state of ratification in Europe .....	334
<b>Part 4 Air traffic .....</b>	<b>351</b>
A. Aviation Personnel .....	351
I. Introduction .....	352
II. Definition of “Aviation Personnel” .....	355
III. License Requirement for Aviation Personnel .....	357
IV. License to Train Aviation Personnel .....	372
V. Air Traffic Control Personnel .....	374
VI. Regulations Concerning Duty Time and Rest Periods for Crew Members on Civil Aircraft .....	377
VII. Pilot-in-Command .....	379
B. Airports .....	392
I. Airport licensing and remedies against airport licensing in Germany .....	394
II. Operation of Airports .....	435
III. Duty to Take Off and Land at Airports .....	445
IV. Contractual Obligations .....	449
V. Non-Contractual Legal Relationships .....	463
C. Air Carriers .....	473
I. Introduction .....	474
II. Definition of “Air Carrier” .....	486
III. German Air Carrier .....	488
IV. Foreign Air Carriers with their Principal Place of Business in the EU/EEA .....	505
D. Continuing airworthiness of aircraft: maintenance .....	521
I. Introduction .....	521
II. Approval of EASA Part-145 Maintenance Organizations: applicable requirements pursuant to Regulation (EC) 2042/2003 .....	527
III. Closing remarks .....	553
E. Air traffic rules .....	554
I. Introduction .....	555
II. Air traffic rules .....	556
III. Sanctions for violations of the Rules of the Air .....	584
IV. Implementation of ICAO requirements in Austria, Switzerland and the United Kingdom .....	587
F. Coordination of flight schedules .....	598
I. Introduction .....	598

II.	Organization and Financing .....	600
III.	Coordination .....	601
IV.	Slots .....	605
V.	Slot allocation .....	609
VI.	Slot monitoring and sanctions .....	618
VII.	Slot Trading .....	621
G.	Air Traffic Control .....	630
I.	Single European Sky .....	632
II.	Exercise/Performance of Air Traffic Control in Germany and other European Countries .....	645
III.	Air Navigation Services (ANS) and Air Traffic Management (ATM) .....	677
IV.	Meteorological Services for Air Navigation .....	694
H.	Air Traffic Noise .....	706
I.	Significance of Air Traffic Noise .....	709
II.	Addressing Air Traffic Noise .....	718
III.	Consequences of Incorrect Management of Air Traffic Noise .....	742
I.	Aircraft owner .....	748
I.	Definition and differentiation of the term Luftfahrzeughalter ("aircraft holder") .....	749
II.	The commercial aircraft holder as legal addressee .....	752
III.	Special problems regarding the aircraft holder .....	771
IV.	Military holders .....	773
V.	Non-commercial holder .....	775
VI.	Types of aircraft .....	775
<b>Part 5 Air safety and security .....</b>		<b>777</b>
A.	Security .....	777
I.	Introduction .....	778
II.	European Aviation Security Law .....	784
III.	German Aviation Security Law .....	816
B.	Air Safety .....	826
I.	Introduction .....	826
II.	Safety in the Chicago Convention .....	827
III.	Aviation Safety under European Law .....	832
IV.	Safety in bilateral aviation agreements .....	837
V.	The Universal Safety Oversight Audit Program .....	838
VI.	The JAA-SAFA Program .....	839
VII.	The SAFA-Directive .....	841
VIII.	EU-wide Operating Bans .....	843
C.	Investigation of Aviation Accidents .....	846
I.	Introduction .....	846
II.	Definitions .....	848
III.	Subject of the investigation and competencies .....	850
IV.	Investigation Procedures .....	852
D.	Crimes and Misdemeanors .....	859
I.	International Criminal Air Law .....	860
II.	German Law .....	877
<b>Part 6 Carriage .....</b>		<b>889</b>
A.	Contract of Carriage .....	889
I.	Introduction .....	891
II.	Applicable Law .....	891
III.	Legal Classification of Contract of Carriage by Air Based on Content .....	905
IV.	The Contract of Carriage for Passenger Transport .....	911

V. Contract of Carriage for Cargo .....	930
VI. Form .....	943
VII. Freedom of conclusion .....	948
B. Agency Agreements .....	953
I. Introduction .....	953
II. Parties to the contract .....	954
III. Legal nature of contractual relations between the air carrier and the travel agent .....	954
IV. The specific contractual relations between the air carrier and the travel agent ...	956
V. Competition law .....	961
VI. The agency contract in Austria and Switzerland .....	963
<b>Part 7 Liability</b> .....	965
A. Liability of the Carrier .....	965
I. Introduction .....	966
II. Liability under International Law .....	976
III. Liability under European law: Council Regulation (EC) 2027/97, as amended by Council Regulation (EC) 889/2002 .....	1020
B. Liability for damage caused to third parties .....	1029
I. Introduction .....	1030
II. Liability according to the Rome Convention .....	1032
III. Liability according to German Law .....	1041
<b>Part 8 Consumer protection</b> .....	1051
A. Regulation (EC) 261/2004 .....	1051
I. Introduction .....	1052
II. Objectives of Regulation (EC) 261/2004 .....	1053
III. The content of the new Regulation .....	1054
IV. The core provisions of the Regulation .....	1055
V. Conclusion .....	1076
B. Impact of the Package Travel Directive on Air Law .....	1077
I. Introduction .....	1077
II. The Package Travel Directive .....	1079
III. Ongoing Development of the Directive .....	1085
IV. EU Regulations .....	1087
V. Air Law Aspects .....	1091
VI. Conclusions .....	1092
<b>Part 9 Insurance</b> .....	1093
A. Introduction .....	1094
B. The term “aviation insurance” .....	1095
C. The aviation insurance market .....	1096
I. The “players” in the aviation insurance market .....	1096
II. The function of the insurance broker .....	1097
III. The formation of an insurance contract .....	1098
IV. Construction and interpretation of a policy .....	1098
V. Standard and non-standard forms .....	1098
D. Types of insurance .....	1100
I. Non-aviation insurance .....	1100
II. Aviation insurance .....	1101
III. Aviation finance and insurance .....	1112
IV. Airport operations liability insurance .....	1115
V. Loss of license insurance for pilots .....	1115

---

<b>Part 10 Competition law</b> .....	1117
A. European Competition Law .....	1117
I. Introduction .....	1121
II. Applicability of the European competition rules to air transport .....	1124
III. Agreements Between Undertakings .....	1134
IV. Dominant position .....	1224
V. European Merger Control .....	1247
B. State Aids .....	1284
I. Introduction .....	1285
II. State Aid to Airports .....	1304
III. Operating aid for airlines .....	1312
IV. Enforcement of rights by competitors .....	1333
V. Rescue and restructuring aid .....	1339
VI. Terrorism .....	1352
<b>Index</b> .....	1353
