Part I Colleagues and Historical Roots

A Retrospective on Semantics and Interoperability Research	3
Bernhard Haslhofer and Erich J. Neuhold	
Semantic Web and Applied Informatics: Selected Research Activities in the Institute AIFB	29
Andreas Oberweis, Hartmut Schmeck, Detlef Seese, Wolffried Stucky, and Stefan Tai	
Effectiveness and Efficiency of Semantics	41
Peter C. Lockemann	
Knowledge Engineering Rediscovered: Towards Reasoning Patterns for the Semantic Web	57
Frank van Harmelen, Annette ten Teije, and Holger Wache	
Semantic Technology and Knowledge Management	77
John Davies, Paul Warren, and York Sure	
Tool Support for Ontology Engineering	103
Ian Horrocks	

Part II Academic Legacy

Combining Data-Driven and Semantic Approaches for Text Mining . . .	115
Stephan Bloehdorn, Sebastian Blohm, Philipp Cimiano, Eugenie Giesbrecht, Andreas Hotho, Uta Lösch, Alexander Mädche, Eddie Mönch, Philipp Sorg, Steffen Staab, and Johanna Völker	
From Semantic Web Mining to Social and Ubiquitous Mining	143
Andreas Hotho and Gerd Stumme	
Towards Networked Knowledge	155
Stefan Decker, Siegfried Handschuh, and Manfred Hauswirth	

Reflecting Knowledge Diversity on the Web	175
Elena Simperl, Denny Vrandečić, and Barry Norton	
Software Modeling Using Ontology Technologies	193
Gerd Gröner, Fernando Silva Parreiras, Steffen Staab, and Tobias Walter	
Intelligent Service Management—Technologies and Perspectives	215
Sudhir Agarwal, Stephan Bloehdorn, and Steffen Lamparter	
Semantic Technologies and Cloud Computing	239
Andreas Eberhart, Peter Haase, Daniel Oberle, and Valentin Zacharias	
Semantic Complex Event Reasoning—Beyond Complex Event Processing	253
Nenad Stojanovic, Ljiljana Stojanovic, Darko Anicic, Jun Ma, Sinan Sen, and Roland Stühmer	
Semantics in Knowledge Management	281
Andreas Abecker, Ernst Biesalski, Simone Braun, Mark Hefke, and Valentin Zacharias	
Semantic MediaWiki	311
Markus Krötzsch and Denny Vrandečić	
Real World Application of Semantic Technology	327
Juergen Angele, Hans-Peter Schnurr, Saartje Brockmans, and Michael Erdmann
