# Table of Contents

## Psychiatric Disorders in Children and Adolescents
- Attention-Deficit/Hyperactivity Disorder (ADHD)  
- Major Depressive Disorder (MDD)  
- Disruptive Mood Dysregulation Disorder (DMDD)  
- Bipolar Disorder (BD)  
- Schizophrenia  

## Anxiety Disorders
- Separation Anxiety Disorder  
- Generalized Anxiety Disorder (GAD)  
- Social Anxiety Disorder  
- Panic Disorder  
- Specific Phobia  
- Obsessive-Compulsive Disorder (OCD)  
- Trauma- and Stressor-Related Disorders  
- Tic Disorders  
- Autism Spectrum Disorder (ASD)  

## Disruptive, Impulse-Control, and Conduct Disorders
- Conduct Disorder (CD)  
- Oppositional Defiant Disorder (ODD)  

## Drugs for ADHD
- Psychostimulants  
- Atomoxetine  
- Comparison of Drugs for ADHD  
- α₂ agonists  
- Augmentation Strategies in ADHD  

## Antidepressants
- Selective Serotonin Reuptake Inhibitors (SSRIs)  
- Norepinephrine Dopamine Reuptake Inhibitor (NDRIs)  
- Serotonin Norepinephrine Reuptake Inhibitor (SNRIs)  
- Serotonin-2 Antagonists/Reuptake Inhibitors (SARI)  
- Serotonin-1A Agonist/Serotonin Reuptake Inhibitor  
- Noradrenergic/Specific Serotonergic Antidepressants (NaSAs)  

## Antipsychotics
- "Second-Generation" Antipsychotics/SGAs  
- "Third-Generation" Antipsychotic/TGA  
- "First-Generation" Antipsychotics/FGAs  

## Anxiolytic (Antianxiety) Agents
- Benzodiazepines  
- Comparison of the Benzodiazepines  

## Hypnotics/Sedatives
- Comparison of Hypnotics/Sedatives  

## Mood Stabilizers
- Lithium  
- Anticonvulsants  
- Comparison of Anticonvulsants  

## Drugs/Substances of Abuse
- Alcohol  
- Stimulants  
- Hallucinogens  
- Opioids  
- Inhalants/Aerosols  
- Sodium Oxybate (Gamma-Hydroxybutyrate – GHB)  
- Flunitrazepam (Rohypnol)  
- Nicotine/Tobacco  

## Treatment of Substance Use Disorders
- Disulfiram  
- Acamprosate  
- Naltrexone  
- Methadone  
- Buprenorphine  
- Pharmacotherapy for Nicotine/Tobacco Use Dependence  

## Natural Health Products
