3 Biliary Tree and Gallbladder 125

3.1 Biliary Tree ... 127

L. Greiner

Thickening of the Bile Duct Wall ... 130

- ▶ Localized and Diffuse ... 130

Bile Duct Rarefaction ... 132

- ▶ Localized and Diffuse ... 132

Bile Duct Dilatation and Intraductal Pressure ... 132

- ▶ Intrahepatic ... 134
- ▶ Hilar and Prepancreatic ... 135
- ▶ Intrapancreatic ... 138
- ▶ Papillary ... 140

Abnormal Intraluminal Bile Duct Findings ... 140

- ▶ Foreign Body ... 140

Differential Diagnosis of Sonographic Cholestasis ... 142

- ▶ The Seven Most Important Questions ... 142

3.2 Gallbladder ... 146

C. Jakobeit

Changes in Size ... 148

- ▶ Large Gallbladder ... 148
- ▶ Small/Missing Gallbladder ... 150

Wall Changes ... 151

- ▶ General Hypoechogenicity ... 151
- ▶ General Hyperechogenicity ... 154
- ▶ Focal Hypoechogenicity/Hyperechogenicity ... 155
- ▶ General Tumor ... 156
- ▶ Focal Tumor ... 157

Intraluminal Changes ... 160

- ▶ Hyperechoic ... 160
- ▶ Hypoechoic ... 161

Nonvisualized Gallbladder ... 163

L. Greiner

- ▶ Missing Gallbladder ... 163

- ▶ Obscured Gallbladder ... 164

4 Pancreas 167

G. Schmidt, A. Holle

Diffuse Pancreatic Change ... 170

- ▶ Large Pancreas ... 170
- ▶ Small Pancreas ... 172
- ▶ Hypoechoic Texture ... 173
- ▶ Hyperechoic Texture ... 175

Focal Changes ... 179

- ▶ Anechoic Lesion ... 179
- ▶ Hypoechoic Lesion ... 182
- ▶ Isoechoic Lesion ... 186
- ▶ Hyperechoic Lesion ... 189
- ▶ Irregular (Complex Structured) Lesion ... 191

Dilatation of the Pancreatic Duct ... 195

- ▶ Marginal/Mild Dilatation ... 196
- ▶ Marked Dilatation ... 197

5 Spleen **201**

C. Goerg

- Nonfocal Changes of the Spleen . . . 206**
 - ▶ Diffuse Parenchymal Changes . . . 206
 - ▶ Large Spleen . . . 208
 - ▶ Small Spleen . . . 211

- Focal Changes of the Spleen . . . 213**
 - ▶ Anechoic Mass . . . 213
 - ▶ Hypoechoic Mass . . . 215
 - ▶ Hyperechoic Mass . . . 225
 - ▶ Splenic Calcification . . . 228

6 Lymph Nodes **231**

C. Goerg

- Peripheral Lymph Nodes . . . 241**
 - ▶ Head/Neck . . . 241
 - ▶ Extremities (Axilla, Groin) . . . 245

- Abdominal Lymph Nodes . . . 247**
 - ▶ Porta Hepatis . . . 247
 - ▶ Splenic Hilum . . . 249
 - ▶ Mesentery (Celiac, Upper and Lower Mesenteric Station) . . . 251
 - ▶ Retroperitoneum (Para-Aortic, Paracaval, Aortointercaval, and Iliac Station) . . . 254

7 Gastrointestinal Tract **259**

M.W.M. Brandt

- Stomach . . . 266**
 - ▶ Focal Wall Changes . . . 266
 - ▶ Extended Wall Changes . . . 270
 - ▶ Dilated Lumen . . . 272
 - ▶ Narrowed Lumen . . . 273

- Small/Large Intestine . . . 274**
 - ▶ Focal Wall Changes . . . 274
 - ▶ Extended Wall Changes . . . 282
 - ▶ Dilated Lumen . . . 287
 - ▶ Narrowed Lumen . . . 290

8 Peritoneal Cavity **293**

D. Nuernberg

- Diffuse Changes . . . 298**
 - ▶ Anechoic Structure . . . 300
 - ▶ Hypoechoic Structure . . . 303
 - ▶ Hyperechoic Structure . . . 307

- Wall Structures . . . 312**
 - ▶ Smooth Margin . . . 312
 - ▶ Irregular Margin . . . 313

- Localized Changes . . . 308**
 - ▶ Anechoic Structure . . . 310
 - ▶ Hypoechoic Structure . . . 310
 - ▶ Hyperechoic Structure . . . 311

- Differentiating Intra- and Extraluminal GI Tract Fluid . . . 316**
 - ▶ Intragastic Processes . . . 316
 - ▶ Intraintestinal Processes . . . 317

9 Kidneys 319

G. Schmidt

Anomalies, Malformations . . . 322

- ▶ Aplasia, Hypoplasia . . . 322
- ▶ Cystic Malformation . . . 324
- ▶ Anomalies of Number, Position, or Rotation . . . 325
- ▶ Fusion Anomaly . . . 327
- ▶ Anomalies of the Renal Calices . . . 328
- ▶ Vascular Anomaly . . . 328

Circumscribed Changes . . . 344

- ▶ Anechoic Structure . . . 344
- ▶ Hypoechoic or Isoechoic Structure . . . 350
- ▶ Complex Structure . . . 356
- ▶ Hyperechoic Structure . . . 358
- ▶ Echogenic Structure . . . 361

Diffuse Changes . . . 329

- ▶ Large Kidneys . . . 329
- ▶ Small Kidneys . . . 334
- ▶ Hypoechoic Structure . . . 337
- ▶ Hyperechoic Structure . . . 338
- ▶ Irregular Structure . . . 343

10 Adrenal Glands 365

D. Nuernberg

Enlargement . . . 369

- ▶ Anechoic Structure . . . 369
- ▶ Hypoechoic Structure . . . 370
- ▶ Complex Echo Structure . . . 374
- ▶ Hyperechoic Structure . . . 375

11 Urinary Tract 379

G. Schmidt

Malformations . . . 383

- ▶ Duplication Anomalies . . . 383
- ▶ Dilatations and Stenoses . . . 384

Dilated Renal Pelvis and Ureter . . . 386

- ▶ Anechoic . . . 386
- ▶ Hypoechoic . . . 392

Renal Pelvic Mass, Ureteral Mass . . . 394

- ▶ Hypoechoic . . . 394
- ▶ Hyperechoic . . . 395

Changes in Bladder Size or Shape . . . 398

- ▶ Large Bladder . . . 398
- ▶ Small Bladder . . . 400
- ▶ Altered Bladder Shape . . . 401

Intracavitary Mass . . . 402

- ▶ Hypoechoic . . . 402
- ▶ Hyperechoic . . . 406
- ▶ Echogenic . . . 408

Wall Changes . . . 410

- ▶ Diffuse Wall Thickening . . . 410
- ▶ Circumscribed Wall Thickening . . . 411
- ▶ Concavities and Convexities . . . 413

12 Prostate, Seminal Vesicles, Testis, Epididymis 415

G. Schmidt

12.1 The Prostate ... 417

Enlarged Prostate ... 418

- ▶ Regular ... 418
- ▶ Irregular ... 421

Small Prostate ... 422

- ▶ Regular ... 422
- ▶ Echogenic ... 423

Circumscribed Lesion ... 423

- ▶ Anechoic ... 423
- ▶ Hypoechoic ... 424
- ▶ Echogenic ... 426

12.2 Seminal Vesicles ... 426

Diffuse Change ... 426

- ▶ Hypoechoic ... 426

Circumscribed Change ... 427

- ▶ Anechoic ... 427
- ▶ Echogenic ... 428
- ▶ Irregular ... 428

12.3 Testis, Epididymis ... 429

Diffuse Change ... 430

- ▶ Enlargement ... 430
- ▶ Decreased Size ... 431

Circumscribed Lesion ... 431

- ▶ Anechoic or Hypoechoic ... 431
- ▶ Irregular/Echogenic ... 433

Epididymal Lesion ... 434

- ▶ Anechoic ... 434
- ▶ Hypoechoic ... 434

Intrascrotal Mass ... 435

- ▶ Anechoic or Hypoechoic ... 435
- ▶ Echogenic ... 436

13 Female Genital Tract 439

B. Beuscher-Willems

Vagina ... 442

- ▶ Masses ... 442
- ▶ Abnormalities of Size or Shape ... 444

Uterus ... 444

- ▶ Abnormalities of Size or Shape ... 446
- ▶ Myometrial Changes ... 447
- ▶ Intracavitary Changes ... 451
- ▶ Endometrial Changes ... 454

Fallopian Tubes ... 458

- ▶ Hypoechoic Mass ... 458

Ovaries ... 460

- ▶ Anechoic Cystic Mass ... 461
- ▶ Solid Echogenic or Nonhomogeneous Mass ... 464

14 Thyroid Gland 475

G. Schmidt

Diffuse Changes ... 479

- ▶ Enlarged Thyroid Gland ... 479
- ▶ Small Thyroid Gland ... 483
- ▶ Hypoechoic Structure ... 487
- ▶ Hyperechoic Structure ... 489

Circumscribed Changes ... 489

- ▶ Anechoic ... 489
- ▶ Hypoechoic ... 491
- ▶ Isoechoic ... 499
- ▶ Hyperechoic ... 501
- ▶ Irregular ... 502

Differential Diagnosis of

Hyperthyroidism ... 504

- ▶ Types of Autonomy ... 504

15 Pleura and Chest Wall 509

C. Goerg

Chest Wall . . . 513

► Masses . . . 513

Parietal Pleura . . . 518

► Nodular Masses . . . 518

► Diffuse Pleural Thickening . . . 520

Pleural Effusion . . . 523

► Anechoic Effusion . . . 525

► Echogenic Effusion . . . 526

► Complex Effusion . . . 528

16 Lung 531

C. Goerg

Masses . . . 533

► Anechoic Masses . . . 534

► Hypoechoic Masses . . . 537

► Complex Masses . . . 546
