Foreword i

Methodological Preface 1

Motivation 21

I The Complete Datum of Human Intentionality 29

1 Defining Intentionality 31

1.0.1 Short remark: What about non-humans? 32

1.1 The Definition 33

1.1.1 A human mind 34

1.1.2 The environment 36

1.1.3 Can be 37

1.1.4 Asymmetry 37

1.1.5 Connection 38

1.1.6 Internal Determination 41

1.1.7 Necessary Uniqueness 44

1.1.8 Twin-earth cases and Frege cases 47
II Ontologies of Intentionality

3 Teleosemantics

3.1 Intentionality via harmony

3.2 Teleofunctionalism

3.2.1 The ontology of the modern materialistic/scientific world view

3.2.2 How to get teleology on this ontology

3.2.3 Intentionality on the materialistic/scientific ontology

3.2.4 Two problems?

3.2.5 Auxiliary notions

3.2.6 Conclusion

4 Intentionality in a platonic ontology

4.1 Platonic intentionality

4.2 Intentionality in the ontology of Roderick Chisholm

4.2.1 Setting up the ontology

4.2.2 Intentional connections

4.2.3 What's with all these 'primitive notions'?

4.2.4 What's the ontological status of the human mind?

4.2.5 Auxiliary notions

4.2.6 Conclusion

5 All there is is information

5.0.7 Information-ontology in physics

5.0.8 Mathematical information-theory
CONTENTS

5.1 Intentionality in a Tractarian ontology .......................... 173
5.2 Intentionality in information ontology .......................... 174
  5.2.1 Making sense of information-ontology ...................... 175
  5.2.2 How does intentionality fit into this? ...................... 187
  5.2.3 Auxiliary notions ............................................. 198
  5.2.4 Conclusion .................................................. 202

6 Esse est percipere .................................................... 205
  6.1 Berkeley's subjective idealism .................................. 205
  6.2 Russell's 'sensations' .......................................... 207
  6.3 Intentionality in Whiteheadian process ontology .......... 210
    6.3.1 An ontology of experience .................................. 211
    6.3.2 Human intentionality in the ontology of experience ...... 234
    6.3.3 Auxiliary Notions ........................................... 248
    6.3.4 Conclusion .................................................. 258
  6.4 We have four working ontologies. What now? ............... 262

III Let us compare ontologies .......................................... 265

7 Phenomenal experience ............................................... 271
  7.1 The datum of phenomenal experience ............................ 271
    7.1.1 Qualia in ordinary discourse .............................. 273
    7.1.2 Qualia in philosophical theory .............................. 274
  7.2 Ontologies of qualia .............................................. 289
    7.2.1 Qualia in the materialistic/scientific ontology .......... 289
