

Chapter 1

- Page 8** We use the present tense to talk about things in general. When we talk about things we always , often, usually, and or never do we use the present tense.
- Page 17** Present tense TEST

Chapter 2

- Page 20** We use the present progressive when we talk about things that are happening at the moment of speaking. We also use the present progressive for the future.
- Page 27** Present Progressive TEST

Chapter 3

- Page 30** We use the *past tense* to talk about events in the past. When we talk about things we did yesterday , last month or years ago we use the past tense.
- Page 39** Past Tense TEST

Chapter 4

- Page 42** We use the *past progressive* to talk about:
1. actions that happened at a particular time in the past!
 2. actions that happened while another action took place!
 3. two actions that happened at the same time!
- Page 49** Past Progressive TEST

Chapter 5

- Page 52** We use the future tense when we talk about the future.
