

Greeting

Welcome Address by Prof. Dr.-Ing. Carsten Manz

Flagship Project

From Digital to Reality - Using BIM in key German Rail (Deutsche Bahn) Projects	
Ehrbar, Maaser, Zaidman, Schreyer, Klar, Marx, Thiel, Obergfell.....	2
LCT One and IZM: BIM and Platforms will change the Building Process	
Rhomberg, Professner, Strauch, Larsson.....	13
Midfield Terminal, Abu Dhabi Airport	
Elabsi	19
From a BIM based school project Aurinkokivi towards a comprehensive city model	
Virkamäki, Miettinen, Sälevaara, Juutinen, Laine	28

Owner / Facility Management

Building Information Modeling as a Total Contractor	
Alzeer, Wollin	33
BIM and COBie for Handover and Facility Management – Case Studies	
Borysławski	44
BIM involvement of manufacturers - Project examples for complete life cycle support	
Adema, Geibig, Krönert.....	46
BIM Implementation and Management Processes in Public Tenders – A Subway Project in İstanbul	
Murteza, Alemdar, Demirtaş, Eser, Öztaş, Kivircik.....	56

Planner

BIM in Bridge Design – 3D-Modeling, Design-Embedded-FE-Simulation and -Drawings, A large scale project in a Port Area	
Nöldgen, Bach.....	67
Bridging the gap between planning and construction	
Dilhas	79

The LAHMEYER BIM-Approach for the “Technical Feasibility Study” for Power Plant Project: “PP15”

Mölderink.....88

Initial development and BIM Setup of implemented projects in Switzerland

Wildenauer.....98

Construction**Automatic Generation of 4D-Schedules for reliable Construction Management**

Melzner, Hanff.....112

Holistic Model-based Collaboration in Designing and Constructing a Power Plant Project

Rambach.....125

Sponsors

Autodesk.....134

Bentley.....136

Peri.....138

RIB.....140

Siemens.....142

Trimble.....144
