

TABLE OF CONTENTS

ABSTRACT.....	ii
INTRODUCTION.....	iii
EXECUTIVE SUMMARY.....	v
ABBREVIATIONS AND SYMBOLS.....	viii
PART I:	
Effect of dissolved hydrogen on SCC initiation and crack growth in Alloy 182 weld metal under BWR conditions.....	1
PART II:	
Hydrogen and high-temperature water effects on the mechanical and fracture behaviour of RPV steels.....	43
PART III:	
Mean stress effect investigation on the fatigue behaviour of 316L austenitic steel in air and high-temperature water environment.....	97
ACKNOWLEDGEMENT.....	129
