Abstract

Abbreviations

1	Introduction: Socially responsible public procurement (SRPP) in multi-level regulatory governance systems	1
2	Research design: Identifying the regulatory framework for SRPP	4
3	Country case study: Germany	7
3.1	Scale and characteristics of public procurement	7
3.2	Regulatory framework for public procurement	8
3.2.1	SRPP regulation at the global level: WTO	9
3.2.2	SRPP regulation at the regional level: EU	12
3.2.3	SRPP regulation at the federal level	17
3.2.4	SRPP regulation at the state level	19
3.2.5	SRPP regulation at the municipal level	21
3.3	Leeway and implementation of SRPP in German municipalities	22
4	Country case study: Kenya	23
4.1	Scale and characteristics of Public Procurement	23
4.2	Regulatory framework for public procurement	25
4.2.1	SRPP regulation at the regional level: COMESA	26
4.2.2	SRPP regulation at the national level	28
4.3	Leeway and implementation of SRPP in Kenya	30
5	Conclusion: “mind the gap” – SRPP between regulation and implementation	33
6	Summary, policy considerations and further research needs	38
