

Contents

Preface — V

Acknowledgements — VII

Editors' Biographical Sketches — XI

Guido Ennas, Alessandra Scano, Andrea Porcheddu, Ivan Halasz,
Evelina Colacino

1 Mechanochemistry: an overview and a historical account — 1

Evelina Colacino, Andrea Porcheddu, Ivan Halasz, Alessandra Scano,
Guido Ennas

2 From manual grinding to automated ball mills — 9

Alessandra Scano, Guido Ennas

3 Rediscovering mechanochemistry for inorganic materials — 23

Evelina Colacino, Andrea Porcheddu

**4 Introducing practical organic mechanochemistry into undergraduate
curricula — 41**

Ivan Halasz

5 Mechanochemical preparation of cocrystals — 71

Guido Ennas, Alessandra Scano

6 Coordination polymers by a mechanochemical approach — 87

Index — 99
