CONTENTS

Preface
Alternative Incompatible Behavior
Anger Control Therapy
Anxiety Management Training
Assertiveness Training
Assisted Covert Sensitization
Attentional Training Procedures
Autogenic Training
Aversion Relief
Aversive Behavior Rehearsal
Aversive Conditioning
Avoidance Training
Awareness Training
Backward Chaining
Behavior Rehearsal
Behavioral Consultation
Behavioral Engineering
Behavioral Family Therapy
Behavioral Group Therapy
Behavioral Marital Therapy
Behavioral Treatment for Chronic Pain
Behavioral Treatment of Seizure Disorders
Behavioral Weight Control Therapy
Bell and Pad Conditioning
Bibliotherapy
Biofeedback
Chaining
Chemical Aversion
Classical Conditioning
Classroom Management
Cognitive Restructuring
Cognitive Therapy
Communication Skills Training
Community Reinforcement Approach
Conditioned Punishment
Conditioned Reinforcement
Contact Desensitization
Contingency Contracting
Contingency Management
Contingent Aromatic Ammonia

| Controlled Drinking                     | William R. Miller          | 78 |
| Controlled Smoking                      | Russell E. Glasgow         | 82 |
| Conversational Skills Training          | Steven Paul Schinke        | 85 |
| Coverant Control                        | E. Thomas Dowd             | 85 |
| Covert Aversion                         | Donald M. Prue             | 85 |
| Covert Conditioning                     | Joseph R. Cautela          | 86 |
| Covert Extinction                       | Joseph R. Cautela          | 91 |
| Covert Modeling                         | Joseph R. Cautela          | 91 |
| Covert Positive Reinforcement           | Joseph R. Cautela          | 95 |
| Covert Rehearsal                        | Alan S. Bellack            | 95 |
| Covert Reinforcer Sampling              | Patricia Wisocki           | 95 |
| Covert Sensitization                    | Joseph R. Cautela          | 96 |
| Cue-Controlled Relaxation               | F. Dudley McGlynn          | 100|
| Cueing                                  | Joel Hundert               | 101|
| Deep Muscle Relaxation                  | Joseph Wolpe               | 101|
| Delayed Auditory Feedback               | Louise Kent-Udolf          | 104|
| Differential Attention                  | Edward Konarski            | 106|
| Differential Reinforcement of Low Rate  | Samuel M. Deitz            | 108|
|  Behavior                               |                            |    |
| Differential Reinforcement of Other     | Samuel M. Deitz            | 110|
|  Behavior                               | See Orgasmic Recondition   | 112|
| Directed Masturbation                   | Alan M. Gross              | 112|
| Discrimination Training                 | Johnny Matson              | 112|
| Dry-Bed Training                        | Johnny Matson              | 114|
| Dry Pants Training                      | W. L. Marshall             | 114|
| Electrical Aversion                     | Arnold A. Lazarus          | 117|
| Emotive Imagery                         | Leonard Krasner            | 117|
| Environmental Design                    | Sandra Twardosz            | 119|
| Environmental Organization              | Kathleen Dyer              | 121|
| Escape Training                         | W. L. Marshall             | 121|
| Exposure                                | Alan Poling                | 124|
| Extinction                              | Vincent B. Van Hasselt     | 124|
| Fading                                  | Laura Schreibman           | 125|
| Feedback                                | Joel Hundert               | 126|
| Flooding                                | Larry Michelson            | 126|
| Forward Chaining                        | Diane E. D. Deitz          | 131|
| Good Behavior Game                      | Samuel M. Deitz            | 131|
| Group Contingency                       | Carolyn C. Hamlet          | 132|
| Habit Reversal                          | Steven Beck                | 134|
| Heterosocial Skills Training            | Richard C. Heimberg        | 135|
| Home Based Reinforcement                | Benjamin Lahey             | 138|
| Homework                                | Cynthia G. Last            | 140|
| Implosion                               | Cynthia G. Last            | 141|
| Increased Caloric Presentation          | Michel Hersen              | 142|
Instructions
In Vivo Desensitization
Job Club Method
Lemon Juice Treatment
Massed Practice
Material Reinforcement
Memory Retraining
Metronome-Conditioned Speech Retraining
Modeling
Multimodal Behavior Therapy
Negative Practice
Negative Punishment
Negative Reinforcement
Nicotine Fading
Omission Training
Operant Conditioning
Orgasmic Reconditioning
Overcorrection
Paradoxical Intention
Parent Management Training
Positive Practice
Positive Punishment
Positive Reinforcement
Premack Principle
Primary Reinforcement
Priming
Problem Solving Training
Programmed Practice
Prompting
Public Posting
Punishment
Rapid Smoking
Rational-Emotive Therapy
Rehearsal
Reinforced Practice
Reinforcement of Incompatible Behavior
Reinforcer Sampling
Respiratory Relief
Response Cost
Response Prevention
Retention Control Training
Role Playing
Role Reversal
Satiation Training
