

# **Pulsatile Drug Delivery**

## **Current Applications and Future Trends**

Edited by

**Prof. Dr. Robert Gurny**

School of Pharmacy, University of Geneva  
Geneva, Switzerland

**Prof. Dr. Hans E. Junginger**

Center for Bio-Pharmaceutical Sciences,  
Leiden, The Netherlands

and

**Prof. Dr. Nikolaos A. Peppas**

School of Chemical Engineering, Purdue University,  
West Lafayette, Indiana, USA.

Wissenschaftliche Verlagsgesellschaft mbH Stuttgart 1993

## Table of Contents

<b>Preface</b>	<b>5</b>
----------------	----------

<b>Contributors</b>	<b>9</b>
---------------------	----------

<b>Therapeutic Rationale</b>	<b>11</b>
------------------------------	-----------

<b>I</b>	<b>Why are so many Biological Systems Periodic?</b>	
	Prof. Dr. B. Lemmer, Frankfurt/M, Germany. . . . .	11
<b>II</b>	<b>The Need for Rate and Time Programming in Future Drug Delivery – Pharmacokinetic, Pharmacodynamic and Clinical Considerations.</b>	
	Prof. Dr. D. D. Breimer, Leiden, The Netherlands.. . . .	25

<b>Fundamental Aspects</b>	<b>41</b>
----------------------------	-----------

<b>III</b>	<b>Fundamentals on pH- and Temperature-sensitive Delivery Systems.</b>	
	Prof. Dr. N. A. Peppas, West Lafayette, IN, USA. . . . .	41
<b>IV</b>	<b>Use of Enzyme-substrate Reactions in the Design of selfregulated Drug Delivery Devices.</b>	
	Prof. Dr. J. Heller, Menlo Park, CA, USA . . . . .	57

- V Mimicking the Circadian Pattern of Testosterone and Metabolite Levels with an Enhanced Transdermal Delivery System.**  
Dr. N. Mazer, Salt Lake City, UT, USA ..... 73
- VI Pulsatile Drug Delivery from Electrotransport Therapeutic Systems.**  
Dr. R. Haak and Dr. S. K. Gupta, Palo Alto, CA, USA ..... 99
- VII Oral Applications of Pulsatile Drug Delivery.**  
Prof. Dr. H. E. Junginger, Leiden, The Netherlands.. ..... 113
- VIII Pulmonary Drug Delivery.**  
Dr. L. Borgström, Lund, Sweden ..... 135
- IX New Disposable Electronic Micropump for Parenteral Drug Delivery.**  
Dr. A. Cohen, Lausanne, Switzerland ..... 151
- X Pulsatile Delivery of Vaccines.**  
Prof. Dr. J. H. Eldridge, Dr. R. M. Giley and Dr. T. R. Tice,  
Birmingham, USA ..... 163
- XI Toward an Integrated Systems Approach to Pulsatile Drug Delivery.**  
Dr. N. A. Mazer, Salt Lake City, UT, USA ..... 177
