Eduard Brückner's Ideas - Relevant in His Time and Today

Nico Stehr and Hans von Storch

| | |
|---|-----|
| 1. Introduction | 1 |
| 1.1 Temporal Flow of Ideas and the Failure of Diffusion | 1 |
| 2. Organization of This Book | 3 |
| 3. The Climate Scientist Eduard Brückner | 6 |
| 3.1 The Life of Eduard Brückner | 6 |
| 3.2 Eduard Brückner's Analysis of Climate Variability | 8 |
| 4. Climate Change, Climate Policies and Society | 11 |
| 4.1 Julius Hann and His View of Climate Variability | 13 |
| 4.2 Climate Variability and Societal Importance | 16 |
| 4.3 The Analogy to the Present State of Affairs | 18 |
| 5. Conclusions | 20 |
| 6. Bibliography | 21 |
| | |
| 1. Groundwater and Typhus | 25 |
| | |
| 2. Fluctuations of Water Levels in the Caspian Sea, the Black Sea, and Baltic Sea Relative to Weather | 47 |
| 2.1 The Annual Water Level Cycle | 49 |
| 2.2 Secular Water Level Variations | 52 |
| | |
| 3. How Constant is Today's Climate | 63 |
| | |
| 4. Climate Change since 1700 | 77 |
| 4.1 The Current Status of the Inquiry into Climate | 77 |
| 4.1.1 Climate of the Geological Past | 79 |
| 4.1.2 Views and Opinions about Climate Change in Historical Times | 88 |
| 4.1.3 Meteorological Cycles | 116 |
| 4.2 Periodicity of Climatic Variations derived from Observations of Ice Conditions on Rivers, the Date of Grape Harvest and the Frequency of Severe Winters | 127 |
| 4.2.1 Secular Variations of the River Ice | 127 |
| 4.2.2 Secular Variations of the Time of the Grape Harvest | 145 |
| 4.2.3 Secular Variations of the Frequency of Cold Winters | 163 |
| 4.3 The Significance of Climatic Variations in Theory and Practice | 171 |
| | |
| 5. About the Influence of Snow Cover on the Climate of the Alps | 193 |

| | |
|--|-----|
| 6. Influence of Climate Variability on Harvest and Grain Prices in Europe | 219 |
| 7. Weather Prophets | 243 |
| 8. An Inquiry about the 35-Year-Period Climatic Variations | 255 |
| 8.1 Water Level Fluctuations in the Kirghiz Steppe and Fluctuations of Rainfall in Russia since 1860 | 256 |
| 8.2 Decreasing Rainfall in the United States since the Middle of the the 80's | 260 |
| 8.3 Rainfall Fluctuations from 1830 to 1900 in the United States, as well as at some Stations in Central Europe and East Siberia | 262 |
| 9. About Climate Variability | 269 |
| 10. Climate Variability and Mass Migration | 285 |
| 11. The Settlement of the United States as Controlled by Climate and Climate Oscillations | 299 |
| List of Publications of Eduard Brückner | 313 |
| Climate | 313 |
| Glaciers | 315 |
| Glacial Ages | 317 |
| Morphology | 319 |
| Hydrology | 321 |
| Oceanography | 322 |
| Polar Research | 322 |
| Cartography | 323 |
| Biographical | 324 |
| Miscellaneous | 324 |
| Subject Index | 327 |
| Name Index | 335 |
