

Table of Contents

Preface.....	i
List of Tables	iv
List of Diagrams and Figures.....	v
List of Abbreviations	vii
1 Introduction.....	1
1.1 Research Issues	1
1.2 Research Questions	2
1.3 The Importance of the Research Questions.....	5
1.4 The Scope of the Book.....	6
1.5 The Intended Contributions of the Book.....	7
2 Core Concepts and Relevant Literature	9
2.1 Theories of Change	9
2.2 Perceptions	12
2.3 Attitude.....	14
2.4 Emotion	15
2.5 Individual Decision-Making	17
2.6 Reactions to Change.....	19
3 Theoretical Development and Research Model.....	23
3.1 Perception-Based View of the Employee.....	24
3.2 Research Model and Hypotheses	26
3.2.1 Perceived Organizational Support.....	27
3.2.2 Perceived Procedural Justice.....	29
3.2.3 Perceived Participation in Decision-making	30
3.2.4 Perceived Need for Change.....	32
3.2.5 Attitude towards Organizational Change	34
3.2.6 Fear of Known Consequences of a Change.....	36
3.2.7 Fear of Unknown Consequences of a Change.....	37
3.2.8 Perceived Change in Power.....	38
3.2.9 Perceived Change in Status	40
3.2.10 Perceived Change in Pride	41
3.2.11 Job Satisfaction	43
3.2.12 Job Security.....	44
3.2.13 Job Motivation	46
3.2.14 Perceived Employability	47
3.2.15 Self-Confidence for Career-Relevant Learning	49
3.2.16 Affective Commitment	50
3.2.17 Trust in Management	52
3.2.18 Colleagues' Reactions to Change	53
4 Research Methodology	55
4.1 Context, Sample and Procedure	56
4.1.1 Study 1 – Context, Sample and Procedure	56
4.1.2 Study 2 – Context, Sample and Procedure	56
4.2 Alternative Methods of Data Analysis	57
4.3 The Multinomial Ordered Probit Model	58
4.4 Measures of Theoretical Constructs.....	60
4.4.1 Dependent Variables	60
4.4.2 Independent Variables.....	61

- 4.4.3 Control Variables 62
- 4.5 Data Analysis Procedures..... 63
- 5 Results and Discussion 65
 - 5.1 Study 1 – Results and Discussion 65
 - 5.1.1 Analyses of Correlations among Dependent Variables..... 65
 - 5.1.2 Analyses of Correlations among Independent Variables 66
 - 5.1.3 Results for Hypotheses – The Multinomial Ordered Probit Models..... 69
 - 5.1.4 Discussion of Study 1..... 77
 - 5.2 Study 2 – Results and Discussion 78
 - 5.2.1 Analyses of Correlations among Dependent Variables..... 79
 - 5.2.2 Analyses of Correlations among Independent Variables 79
 - 5.2.3 Results for Hypotheses – The Multinomial Ordered Probit Models..... 81
 - 5.2.4 Discussion of Study 2..... 91
 - 5.3 General Discussion..... 93
 - 5.3.1 Key Contributions of the Book 93
 - 5.3.2 Limitations to this Book..... 97
 - 5.3.3 Implications and Directions for Future Research..... 98
 - 5.3.4 Implications and Directions for Practice..... 99
- 6 Conclusions..... 100
- References..... 102
- Appendices..... 116
 - Appendix A: Questionnaire Survey Items for Studies 1 and 2 116
 - Appendix B: Study 1 – Diagrams and Correlations 122
 - Appendix C: Study 2 – Diagrams and Correlations 146
 - Appendix D: Additional Regression Analyses for Study 2..... 170
